August 2018 - PRESENT

- I have been with PetSmart for over a year and I am proud to say I've never had a dog fail any of my classes. I'm always on my student's tails when it comes to practicing at home to make sure they all succeed.
- I've been surrounded by animals my whole life and I am very well experienced with pet care. I had dogs of all shapes and sizes growing up and it was my job to feed and walk them. I use my experience with dogs to help train dogs as a pet trainer for PetSmart.
