Objective

To obtain a professional career path that will provide me with an improved quality of life while I work to obtain my Doctorates of Veterinary Medicine.

Education

HIGH SCHOOL DIPLOMA | 2017 | CHAPEL HILL HIGH SCHOOL

PETROLEUM SUPPLY SPECIALIST NOVEMBER 2017

Skills & Abilities

MANAGEMENT

Served as shift leader over 36 soldiers and maintained accountability for their schedules, pay, and report times to work every day. Responsible for the movement to and from work while serving as AIT class president.

COMMUNICATION

- While serving as morale, welfare, and recreation specialist in my company, I built up BN morale during basic combat training to over 600 soldiers by planning morale boosting activities.

LEADERSHIP

- While serving in basic combat training, I was assigned team leader above my peers and remained team leader throughout basic training resulting in 100% graduation rate of 6 total personnel.

Experience

PET HANDLER

- Worked as a dog handler by gaining knowledge of routines and observed dog behavior and effectively trained them. Handled different fields, including grooming, basic leash training, and beginning obedience.

HOSTESS

- Welcomed each guest that entered the restaurant. Attended to phones and took in requests for big groups. Maintained a high level of customer service and hospitality when welcoming the customers. Always had a pleasing personality, with no complaints and was presentably dressed always. Served as the first face the customer saw and developed good interactive skills.

MILITARY

BCT-Fort Jackson, SC 2017
